This is my library.

I want to go to the Children's Room of the library to:

Read

Play games

Use Computers

Listen to a story

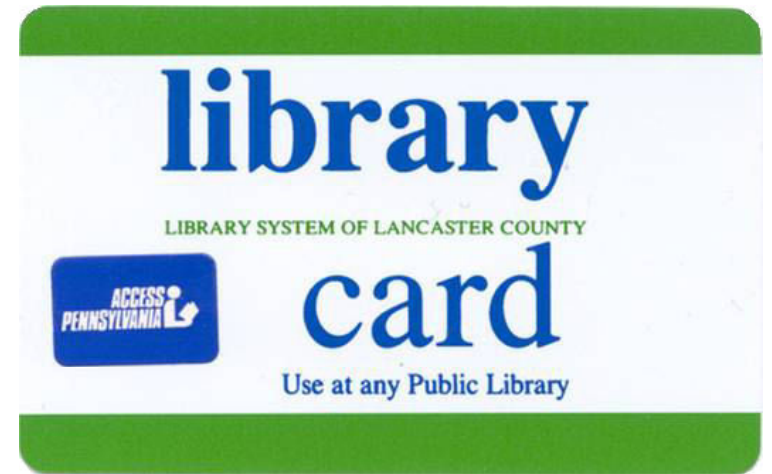

I can take the elevator or the stairs to go to the Children's Room.

I look for and find a book I want to take home.

I need a library card to take the book home.

I can ask the librarian at the Help Desk a question or I can ask the librarian to help me.

I can take my book and library card to the Check-out desk to check the book out.

Or I can use my library card to check out the book by myself.
