# This is Lancaster Public Library.

# Lancaster Public Library has three floors.

**I go down to the lower level to get information with the help of the reference librarian and to take out non-fiction books.**

**I go upstairs to the Teen Space to do my homework, talk with my friends, and play card games.**

**I can look for books, music CDs, magazines, audiobooks, or graphic novels on the computer or on the book shelves in the Teen Space.**

**The librarian at the Youth Help Desk in the Children's Room can answer my questions or help me find materials.**

**I can go to the Autism Resource Center on the second floor to get information about Autism.**

**I can use my library card to check out the book by myself or I can go to the Check-out Desk on the first floor.**

**The library has programs I can go to such as Dungeons and Dragons and Teen Gaming.**
