Dear Friend of the Library,

As winter loosens its grip, we eagerly welcome the arrival of spring—a season that reminds us of renewal, growth, and endless possibilities. Your unwavering support brings that same spirit of hope to the Lancaster Public Library - Mountville Branch, transforming it into a place of opportunity and inspiration for our community.

The library is so much more than a collection of books; it is a vibrant hub for creativity, education, and discovery. There is something for everyone at the Mountville Branch, whether you are attending a program, using the printer, looking for a good read, or seeking a comfortable place to work, study, or converse.

**The library is truly a special place for people in the community and a place for building community.**

In recent years, the library has seen a growing demand for its services. More patrons are using the library's resources, and programs are expanding. To keep pace with this growing need, we ask you to consider renewing your library support for 2025. Your contribution will ensure the Mountville Branch continues to thrive and provide essential services to our community. With your support, we can:

- Expand our collection of books, e-books, and digital resources
- Offer additional enriching programs for children, tweens, adults, and families
- Improve our technology
- Maintain a welcoming and safe space for everyone to grow

Whether you are a long-time donor or making your first gift, your contribution is meaningful and helps preserve the library as a valuable community resource that enhances the quality of life for us all. Thank you for being a valued member of our library family.

With much gratitude,

**Karen Denlinger**
